| 21 st – 27 th February | - | Retreat to FSLG Sisters |

Parish Priest should make the programme of pastoral visitation and submit it for approval. All the registers and files should be kept up to date. I stay about two days in a place. The People should be informed that they can gain plenary indulgences under the usual conditions if they assist at a function in the church during the pastoral visitation.

Yours in Our Lord

**+ Francis Kalist
Bishop of Meerut**
